Section 8 of the guide: Where to live in Dubai with a family: the family areas, and what each one offers

One more area, if you plan to buy off-plan

- **Dubailand, next to Silicon Oasis:** this is where Greenz, a project I work with, is being built: townhouses and villas with 3 to 5 bedrooms, a garden and parking. According to the developer, handover is expected in December 2029, and Dubai International Academic City is nearby. The details are on the project page.

How I can help

I guide buyers in Dubai, from choosing the property through to getting the keys and the visa. Send me a WhatsApp message and tell me how many children you have, what your budget is, and whether you will buy in cash or with a mortgage. After the first consultation I give you a quote, which depends on the sale process and the services you need.
