Section 6 of the guide: Dubai Golden Visa and tax residency: why a visa does not change your tax position

What to check with the accountant

These are questions worth asking an accountant. I do not answer them for you:

- Am I a tax resident of my country this year, and by what test?
- What do I need to report at home on the property in Dubai, on the rent and on a sale?
- What happens to my tax residency if I move to Dubai?
- Is there any point in applying for a UAE tax residency certificate, and would I meet its conditions?
