Section 7 of the guide: Dubai Golden Visa and tax residency: why a visa does not change your tax position

What I check when I guide you

Written by Usama Haj Yahia, founder of U810 Properties | Last updated: 18.11.2026

When I guide you, I help you understand what the visa actually gives you and what it does not, and prepare with you the property and visa documents the accountant will ask for. The tax residency question itself I refer to an accountant, because I am not an accountant or a tax adviser.

My service: the first consultation call is free and lasts up to 20 minutes, by WhatsApp call, WhatsApp messages or a regular phone call. After the first consultation call I can give you a quote. It depends on the sale process and the services you need.

Do you have a Golden Visa, or are you considering one?

Tell me about your situation, and we will check together what the visa gives you and what is important to ask the accountant.
