Section 8 of the guide: Handover day in Dubai: what to check before you take the keys, and what the developer is responsible for after handover

What we check together

Written by Usama Haj Yahia, founder of U810 Properties | Last updated: 18.11.2026

Before handover I go through the developer's notice and the statement of account with the investor. We arrange a professional snagging inspection, and I make sure the defects have been fixed before you pay and sign. After handover we check together that the Title Deed has been issued. After the first consultation call I can give you a quote. It depends on the sale process and the services you need.
