Section 7 of the guide: A mortgage in Dubai for the handover payment: what the bank checks, and when to start

From my experience

Written by Usama Haj Yahia, founder of U810 Properties | Last updated: 18.11.2026

An investor I guided had already paid half the price and reached the point where he needed a mortgage for the other half. Exactly then one of his income sources ended, which could change the amount the bank would approve. So start checking with banks well before the handover letter arrives, not after.
