Section 9 of the guide: A mortgage in Dubai for the handover payment: what the bank checks, and when to start

What to do

Written by Usama Haj Yahia, founder of U810 Properties | Last updated: 18.11.2026

1. Check in your contract how much is left to pay at handover, and when.
2. Prepare your documents in advance.
3. Approach several banks, or a licensed mortgage adviser, and compare.
4. Do not commit to a payment date before you have approval in principle.

What else happens on handover day? See the guide to handover day.

I am not a mortgage adviser. This is general information, correct as of the update date, and each bank sets its own terms.
