What we check together

I have guided couples and partners who bought an apartment together. Before the split is set in the Title Deed, I go through the investors' goals with them: which visa each of them needs, and what each share has to be worth to get it. If the answer depends on how the authorities interpret the rules, we check it with the Dubai Land Department in advance. The agreement between the owners is drafted with a lawyer, and I can connect you with one.
