Transfers from Israel: How long it took

This is how it went for me, in summer 2024:

1. **22 July:** I started the unit reservation.
2. **19 August:** I submitted the declaration to the Tax Authority.
3. **20 August:** the bank stopped the transfer (see "Where it got stuck").
4. **17 September:** the main transfer went out.
5. **19 September:** the developer confirmed receipt.

In total, about two months from the reservation until the money was received.

This information is based on my own experience buying in 2024. The section on transfers from Israel also relies on the Israel Tax Authority page for form 2513. Each bank's requirements, and each tax authority's, may change. It is not a substitute for tax or legal advice.
